

Remarks

The Abstract is objected to. A new Abstract is enclosed.

Claims 1-20 stand rejected for obviousness-type double patenting over U.S. Patent 6,631,133. A terminal disclaimer is enclosed.

Applicants submit that there are numerous additional reasons in support of patentability, but that such reasons are moot in light of the above remarks and are omitted in the interests of brevity.

Applicant respectfully requests allowance of claims 1-20.
